Document code	FIN-QMR-2026-Q1
Period	1 April 2025 to 30 June 2025
Prepared by	Financial Controller
Approved by	Chief Financial Officer, 21 July 2025
Classification	Confidential

1. Summary

Calderwick Pump Systems Ltd closed the first quarter of fiscal year 2026 with revenue of USD 23.6 million, USD 0.4 million below budget, and EBITDA of USD 3.3 million against a budget of USD 3.4 million. Pump orders were in line with plan; the shortfall came from spare parts sales, where two large mining customers delayed orders into the second quarter.

All amounts are in USD million unless stated otherwise. The fiscal year runs from 1 April to 31 March.
