CALDERWICK PUMP SYSTEMS LTD

Staff Directory, July 2025 Edition

Document code	HR-DIR-2025-07
Valid from	1 July 2025
Owner	Head of People
Replaces	HR-DIR-2025-01 (January 2025 edition)
Classification	Internal

1. Purpose

This directory maps every management and specialist role at Calderwick Pump Systems Ltd to the person who holds it. Policies, contracts and approval rules name roles, not people; use this directory to find the person behind a role. Each person has a unique employee ID. Where two names look alike, the employee ID identifies the person.

The directory is valid from 1 July 2025 until the next edition is issued. Changes during that period, including acting appointments, are listed in section 3.

2. Directory

Locations: Head Office is at Hollins Cross. Plant P1 is Hollins Cross (assembly), Plant P2 is Ardmoor (test and calibration), and Plant P3 is Fenwick Bay (castings). "Reports to" gives the role of the line manager.

Employee ID	Name	Role	Department	Location	Reports to

3. Acting appointments and changes

An acting appointment gives the acting person the full authority of the role, including approval authority, for the dates shown. Outside those dates the role holder in section 2 holds the authority.

Role	Role holder	Acting person	From	To (inclusive)	Reason
Head of Procurement	Linnea Haugland (E-1004)	Marcus Ebner (E-1022)	4 August 2025	22 August 2025	Annual leave

No other acting appointments are recorded for July to December 2025. New starters and leavers after 1 July 2025 will appear in the next edition of this directory.

4. Contact

Corrections to this directory are sent to the Head of People. The People team updates the directory within five working days of an approved change.
