CALDERWICK PUMP SYSTEMS LTD

Training and Certification Register 2025

Document code	HR-TRN-2025
Data as of	30 September 2025
Owner	Head of People
Maintained by	HR Business Partner, Plants
Classification	Internal

1. Purpose

This register records the safety-critical certificates and mandatory training of Calderwick Pump Systems Ltd employees. Supervisors check it before assigning work on forklifts, cranes, test rigs and pressure systems. An expired certificate means the person may not do that work until the renewal is recorded here.

2. Safety-critical certificates

Table 1 - Safety-critical certificates

Employee ID	Name	Certificate	Issued	Expires	Status on 30 September 2025
E-1051	Jonah Whitlock	Hydraulic test rig operation, supervisor level	30 November 2022	30 November 2025	Valid; renewal course booked 18 November 2025
E-1052	Sunniva Berg	Pressure systems competent person	15 March 2024	15 March 2027	Valid
E-1032	Elif Demir	OT security practitioner, level 2	31 January 2023	31 January 2026	Valid
E-2014	Pavel Novotny	Forklift, counterbalance	12 October 2022	12 October 2025	Valid; renewal booked 6 October 2025
E-2031	Amara Nwosu	Forklift, counterbalance	2 September 2022	2 September 2025	Lapsed; may not operate forklifts
E-2047	Lewis Carrow	Overhead crane, pendant control	20 June 2024	20 June 2027	Valid
E-2052	Hana Sato	Hydraulic test rig operation	4 April 2025	4 April 2028	Valid
E-2058	Tomasz Wilk	Hydraulic test rig operation	11 May 2022	11 May 2025	Lapsed; renewal course 14 October 2025

Employee ID	Name	Certificate	Issued	Expires	Status on 30 September 2025
E-2063	Rosa Delgado	Forklift, reach truck	9 January 2024	9 January 2027	Valid
E-2071	Ewan McTavish	Furnace operation, induction	17 August 2023	17 August 2026	Valid

Operator employee IDs (E-2xxx) are not listed in the staff directory, which covers management and specialist roles only. Operators at Ardmoor report to the Test Rig Supervisor; operators at the other plants report to their shift leaders.

3. Mandatory training completion

Table 2 - Mandatory training

Course	Who must complete it	Frequency	Completion on 30 September 2025
Data protection essentials	All employees	Every 2 years	94%
Anti-bribery and gifts	All managers and all Procurement staff	Every year	100%
OT security awareness	Everyone with access to plant control systems	Every year	87%
Fire warden	At least two people per shift per site	Every 3 years	Met at all sites

Managers whose teams are below 90% completion on any course receive a reminder from the HR Business Partner each month until the target is met.
