3. Notes

- Brennock Valve Services Ltd (VEN-014) and Brennock Valve Supplies Ltd (VEN-041) are unrelated companies. VEN-014 maintains the Ardmoor test rigs; VEN-041 supplies valves to Hollins Cross.
- Ardent Controls Ltd (VEN-052) and Ardent Control Systems GmbH (VEN-018) are unrelated companies. VEN-018 is inactive and must not receive orders.
- VEN-014 is rated High because it is the only maintenance supplier for the Ardmoor test rigs; see risk R-07 in the risk register.
