The designated mandatory in-office day for all departments is Wednesday. Employees may choose their second in-office day, provided it is either Tuesday or Thursday. Working from the office on Mondays or Fridays is completely optional. *Exception:* Employees hired under the "Fully Remote" contract tier are exempt from this requirement but must attend the annual company retreat in Denver, Colorado.

Section 2: Hardware and Equipment Stipend Upon hire, all full-time employees are provided with a standard technology bundle, which includes a 14-inch MacBook Pro, a wireless mouse, and a noise-canceling headset. This stipend can be used to purchase standing desks, ergonomic chairs, or external monitors. *Important restriction:* The \$500 stipend may not be used to purchase internet service plans, coffee machines, or mobile phone bills. All stipend expenses must be submitted through the Expensify portal within the first 60 days of employment.
